Course Units

Unit 1: Linear Equations (Algebra Review)

Unit 2: Nonlinear Equations

Unit 3: Functions

Unit 4: Transformations

Unit 5: Triangles and Congruence

Unit 6: Modeling with Geometry

Unit 7: Trigonometry

Unit 8: Probability

Unit 9: Quadratics

Class Expectations and Procedures

- Be on time
- Be respectful, to all individuals and school equipment
- Be prepared (notebook, pencil, paper, homework)
- Have a positive attitude
- Work hard and do your best. Appreciate the value of problem solving!
- Do not leave a mess
- No eating in class
- Abide by CSS dress code and electronic device code of conduct (i.e. NO CELL PHONES OR HEADPHONES)
- Students will be dismissed by the teacher to use the bathroom, and to be dismissed from class.

Behavior Procedures:

1. Warning
2. Parent/Student conference and/or parent contact
3. Parent Contact
4. Office Referral

Daily Classroom Needs:

- A pencil!
- 1 composition notebook
- 1 folder or binder
- Loose leaf paper
- Calculator “highly recommended”

Grading:

(20%) homework: This includes nightly assignments, exit tickets, and / or any other opportunities

(30%) Quizzes: This grade includes quiz grades, write to learn grades (weekly), and notebook checks

(50%) Tests: There will be 9 total tests (1 for each unit)

Absent / Late Work Policy:

- You are responsible for turning in homework assignments on time. If you are absent, you are responsible for turning in any work as soon as you return (or before you leave)
- Each day late you will lose 10% off your grade. (Note: once this grade reaches 0% you cannot turn it in)
- You are responsible to schedule when you will make up a test or quiz if you are absent
